

SUPPORTING LOCAL STUDENTS WITH SPECIAL NEEDS

WHO? STARS is the Intensive Education Academy's (IEA) annual evening of celebration and fundraiser. IEA is a private, state-approved, nonprofit special education facility in West Hartford that offers a nurturing, individualized learning environment for students aged 5-22. Many of our students experience high levels of anxiety. Our smaller class sizes, individualized instruction and a focus on compassion allow us to support these students. Founded in 1971, by Sister Helen Dowd, and known as "A School Built on Love," IEA is a non-denominational ministry of the Sisters of St. Joseph and a 501(c)3 organization.

WHAT? STARS is IEA's Annual Evening of Celebration. Over 150 attendees from all across Connecticut and Massachusetts join us for an evening of fun and fundraising! Come join us for an event with music, entertainment, inspiring speakers, silent and live auctions and flat-out FUN. We are looking for auction items, sponsors and attendees!

WHEN? The STARS LIVE virtual event on **Friday, Nov. 3, 2023 at 6:30-10:30 PM**

WHERE? This year we'll be hosting STARS at the **FARMINGTON POLO CLUB, Farmington.**

WHY? 3 in 20 students in the United States will need special education services. Many times these services are outside the scope of what a traditional school setting is able to provide. IEA can help! IEA offers:

- 5:1 student-to-teacher ratio
- 100% special education certified teaching staff
- Individualized, nurturing, whole-child approach for every student
- On-site speech and language, occupational therapy, counseling and behaviorist services
- Assistive Technology including iPads available for every child's use
